Fashion Show/Runway

Moore College of Art and Design Fashion Show, Held at Century 21, 2018

- Participated in and created a mini capsule "3 look" collection based on research done from two compiled semesters
- Was assigned three models and had three looks/outfits for each
- One of the designers, stayed backstage, helped prepare, keep up with my designs and models

Frank Agostino Fashion Show, An Evening of Style and Grace 2017; Universal Audenried Charter High School

- Assisted and volunteered backstage at Frank Agostino sponsored fashion show event where I was given a model and helped with dressing, outfit changes, and looked professional before walking in the show.
- Responsibilities included getting models dress changes and making sure they got hair and makeup done

along with helping clean up and make sure outfits went away correctly before leaving for night

Philly Fashion Week, Philly Fashion Fest Fashion Show, One Liberty Observation Deck Building, 2016

- Assisted and volunteered backstage at Philly Fashion Fest event, where I was given a model to attend to for the night to assure clothing was fitted correctly, dressed and looked professional before walking in show.
- Duties included having multiple outfit changes and a rack of various outfits to look after, doing multiple changes and coordinating all interaction with the show.

Moore College of Art and Design Jumpstart Fashion Show, Held at Moore College, 2016

- Participated in creating and designing an accessory for the show, which included an original hat design based and created around research done on overall show theme of Hand x Machine.
- Theme "Manus x Machine" meaning created by 'man' and 'machine' and how these two concepts can correspond and be harmonious together as one.

Work Experience
